Regarded as one of the world's greatest wonders, Xel-Ha provides one of the best experiences in the heart of the Riviera Maya. Practice snorkeling and see hundreds of colorful fish and a great diversity of marine species that inhabit its Cove and its Cenotes.

I am a natural sanctuary where the history of Mexico combines with fun traditions and the splendor of the Mayan culture. I open my doors along the Caribbean Sea and invite you to discover magical experiences where underground rivers await you, along with the fauna of the Mayan jungle and unforgettable shows.

Xplor's history began 65 million years ago. When a 10 km-diameter asteroid crossed through the Earth's atmosphere, struck the Yucatan Peninsula and put an end to an era, thus generating a series of changes giving rise to new forms of life.

Riviera Maya is a tourism and resort district in Mexico. It straddles the coastal Highway 307 along the Caribbean coastline of the state of Quintana Roo, located on the eastern portion of the Yucatán Peninsula. This district historically started at the city of Playa del Carmen and ended at the village of Tulum.
